**Monologue Dept.:**

Bob Hope, calling attention to yesterday's repeat showing of his prize-winning Moscow variety show, tossed some amusing quips about Mikoyan's visit:

● "I don't know what Mikoyan learned during his trip throughout the country, but from now on, he will believe our figures on egg production."

● "Mikoyan was pretty sneaky about his program. He listed himself as a statesman—then he went on TV and became a comedian. Of course, it's easy for him to be a hit on TV— all his critics are in Siberia."
